Dear Gentlemen:

Thank you very much for the professional workmanship and outstanding teamwork you exhibited as you replaced the roof on my home. **Wesley Marshall, Frank Utermehle, Brad Cook, Robert Young, and Dan Shelby** worked with me from the initial inspection through the completion of the roof, including being present during the inspection by my insurance company's adjustor. At least one of you has been on site every day to ensure that the work progressed on schedule and to ensure that the work was properly done. All of your promises were met without delays, and the work crews were very thorough and installed a high quality roof. You secured the necessary permits from the city of Delray Beach, scheduled the work, coordinated the work, scheduled the city inspections, and ensured that each stage of the work was completed in a timely manner. The city approved the work at each stage with no problems noted. Of all the construction projects I have seen in this area, this one went the smoothest and was done in the most timely and professional manner.

I truly enjoyed working with all of you from the beginning of the job to the completion of the job. You answered my questions, helped me select the materials, and guided me through my parts of the process. I couldn't have asked for a better team. I am writing this letter to applaud your work and to assure you that I would recommend you and your company to anyone needing roofing work.

Thanks again for a great job and a great-looking roof!

Sincerely,

Robert C Conant
